HURRICANE PREPAREDNESS

Hurricane Season is from June 1st to November 30th. Be sure to plan and prepare ahead of time.

Here are a few safety tips to help you in the event of a storm.

• Prepare a disaster supply kit (firstaid kits, batteries, water, canned foods, etc.)

- Prepare an evacuation plan.
- Pet owners have plan to care for their animals.
- Monitor local news and weather forecast.

• Secure large items on your property to prevent additional debris

• Fill your gas tank and store additional fuel in gas containers.

• Incase of flooding, seek higher ground.

AFTER THE STORM

• Do not drink tap water until authorities says it is safe to do so.

• Do not enter damaged property, never walk or drive on flooded roads, avoid downed power lines and trees, wear gloves and thicksoled shoes protecting your hands and feet.

• Follow local authorities guidance.

Sign up for local alerts and warnings by texting **ALERTMIAMI** to **81877.**

For more information visit Hurricane Guide : miamidade.gov/hurricane It is with great delight to announce my partnership with Communities United, Inc. and Mayor Suarez in a distribution of 300 disaster hurricane kits to local residents geared towards our most vulnerable population, senior citizens and individuals living with disabilities. Courtesy of Communities United, Inc. who provides comprehensive aid towards the elderly and disabled population during times of natural catastrophe with the Senior First Disaster Preparedness. We will provide disaster kits consisting of flashlights, face masks, (15) coolers, paper goods, first aid kits, cleaning supplies, food and case of water. Along with an educational component available at **www.communitiesunitedsfl.org**. While following the CDC's social distancing guidelines, touchless deliveries will be implemented. Hadley Park will be the official drop off zone.

In addition to reassuring our residents that they are our top priority, high rise apartments and senior living complexes will be inspected to ensure they are up to code for hurricane season such as windows, elevators, stairwells, etc. To continue to give back to the community, local businesses are encouraged to promote their tree cutting and debris removal services in comparison to having outside businesses involvement.

For additional support with housing, food, cleaning please visit or contact us at **www.communitiesunitedsfl.org**.
